Green Pass Restrictions

- A ‘Green Pass’ (a Vaccination Certificate, COVID recovery certificate or a negative lab test valid for 72 hours) must be presented when entering the campus along with your ID.
- Wear a face mask while at the campus and inside the building, unless one is alone in the room.
- Keep a chair distance between students in the classrooms. Placing of students to classrooms is based upon that distance.
- Four meters distance will be held between students and staff members during a lecture.
- Maintain hygiene and often wash your hands.
- Avoid gathering in kitchenettes, by water coolers or for meals.
- Maintain the number of people in the room according to the instructions of the Ministry of Health.
